

Another blissful *Bride and Groom...*

on their way to a *complimentary* honeymoon suite in The Villas at Carter Plantation, where chilled champagne and chocolate covered strawberries await them.

The bridal business is booming at Carter Plantation. Over 100 couples have been pampered by our expert staff since opening in the

fall of 2003. Anxious brides relax when they learn our Sales & Catering Director, Missy Lassalle, has overseen bridal events for 30+ years. Her attention to detail is evident as she puddles fabric beneath a *complimentary* 3-tiered wedding cake, encourages a reluctant flower girl to walk down the aisle, or thoughtfully offers a Bride a “hankie” before turning to make her dramatic entrance.

Each year, the event calendar at Carter Plantation fills quickly with bridal showers, luncheons, rehearsal dinners

and receptions, all catered by our award-winning chef, Gary Fonseca. Assuring guests sample the best Carter Plantation has to offer, the chef has made menu planning easy with Reception Menus that include choices of displayed items and hand passed hors d'oeuvres: *A Creole Reception* features

local favorites, Jambalaya and Gumbo; *A Sweet Olive Reception* features a colorful display of Smoked Salmon and Jumbo Lump Crabmeat; *A Magnolia Reception* features a Carving Station with an impressive Garlic and Thyme Encrusted Steamship Round of Beef; and *A Southern Plantation Reception* features Panko Crusted Jumbo Lump Crab Cakes with Sweet Potato, Asian Dipping Sauce.

For the main event, we offer a breathtaking outdoor ceremony location overlooking the David Toms golf course...

a course that the Groom and Groomsmen are quite familiar with since they have been

treated to a *complimentary* round of golf prior to the event.

It's a destination wedding *without* the travel hassle ... or, better yet, *with* the convenience of a first class resort so close

to home! Out of town wedding guests enjoy accommodations of relaxed luxury just a short stroll away and receive special room rates. The wedding party can take advantage of

The Villa parlors to enjoy each other's company while getting ready for the special event.

And what better way for a couple to celebrate a one year anniversary of their wedding at Carter Plantation, than to return to The Plantation Dining Room for a *complimentary* dinner. With so much to offer, the popularity of Carter Plantation as a wedding venue will continue to soar.
